

GARRYSON FLAP WHEELS - SYNOPSIS

• Abrasive Cloths

- **Aluminum Oxide (Brown) –**
 - Tough Grit – General purpose mineral for use on most materials
 - Suited for finer work
 - No excess fracture
- **Ceramic Cloth (Red/Brown) –**
 - Remains sharper for longer periods of use
 - Ideal for fast stock removal
 - Fractures similar to Zirconium – requires medium to heavy pressure to fracture

➔ Applications

- Deburring ferrous and non-ferrous materials
- Cleaning welds/surfaces
- Removing machine marks and flaws
- Finishing of stainless steel vessels
- Removing die lines
- Removing flash from rubber/plastics
- Blending/finishing contoured surfaces
- Paint/Rust Removal
- Sanding wood
